PURE FOOD  
WHISKEY

**The Inspector  
Is Back Of Every Bottle**

"Show me your friends and I will tell you who you are," is a saying old and true. No beverage ever had such a large circle of loyal friends as Sunny Brook—The Pure Food Whiskey. Its popularity is not limited to any particular section—Sunny Brook is a universal favorite everywhere. It is a safe, sane, satisfying stimulant, and this, combined with its exquisite flavor, rich mellowness, and high tonic properties, have earned for Sunny Brook its world-wide supremacy.

Sunny Brook is bottled under the Green Government Stamp—unmistakable proof that it is straight, natural, whiskey—100% U. S. Standard—besides Sunny Brook carries the guarantee of the Largest Distillers of Fine Old Whiskey in the World, that it is scientifically distilled, and aged, in the good, old, honest, Sunny Brook way.

SUNNY BROOK is now bottled with our own patented "Twister" stoppers. One twist uncorks or recorks the bottle right. No need for Cork Screws.

## DRUNK, HE SLEPT IN MORGUE.

"Not Afraid of Dead Ones," Told Patrolman at 2:30 a. m.

SPOKANE, Wash., Nov. 15.—Olaf Clawson, a laborer was found soundly sleeping in a pew at the chapel of the New England undertaking parlor and protested vigorously when the police came to remove him. "I'm not afraid of the dead ones and it's nice and warm in here," he told the officers.

Just how long Clawson occupied the pew is unknown to the employees of the place. His snores attracted a patrolman walking past on the sidewalk and caused him to enter. He had no difficulty in locating the sleeper, who had taken off his coat and made himself comfortable.

Booked for intoxication, he was given his freedom. When told of his selection of a sleeping place he crossed himself devoutly and raised his eyes.

SALTS IF BACKACHE  
AND KIDNEYS HURT

STOP EATING MEAT FOR A WHILE  
IF YOUR BLADDER IS  
TROUBLED YOE.

When you awake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and sluggish. When your kidneys get sluggish and clog you must relieve them. Like you relieve your bowels, removing all the body's urinous waste, else you have backache, sick headache, dizzy spells, your stomach aches, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.

Pure  
Blood

Is healthy blood—blood that is normal in red and white corpuscles and all other important constituents. To have it, and the strength it gives, be sure to take HOOD'S SARSAPARILLA.

Your blood is not pure if you have scrofula, pimples, boils, or other eruptions, eczema or salt rheum, psoriasis, rheumatism, anemia, nervousness, that tired feeling, loss of appetite or general debility.

You should take Hood's Sarsaparilla, and begin taking it at once. There is no real substitute for Hood's Sarsaparilla. If urged to buy any preparation said to be "just as good," you may be sure it is inferior, costs less to make, and yields the dealer a larger profit.

yesterday he tore his way through the Baker line and threw the man with the ball for a loss. Neither he nor any of the other backs could consistently make yardage through the Baker line, but he reeled off several good runs around the end. Hoskins is a hard and aggressive player and is developing fast.

Tuttle, who replaced Krebs at guard, made a good showing for his first game. Captain Russell played a good defensive game. Sturdivant proved a good man on receiving forward passes and getting down on punts.

For Baker, the three big backs, Miller brothers and Weeks, and Hoff were the best offensive men while Center Kennon proved a hard defensive player, frequently getting through the line and spilling the Pendleton plays.

Baker used the old style, hammer-the-line game but for once found Pendleton with a defense that she could not batter down.

Referee Reynolds and the other officials penalized Pendleton frequently for offside playing and fouls. In all fifteen penalties were inflicted on the locals and the total distance lost by the rulings of the officials was 115 yards. In the first half Pendleton was penalized 70 yards against a one yard penalty for Baker. In the last half Pendleton was penalized 45 yards to Baker's 30.

Another penalty was called on Pendleton and was one of the contributing elements to the Baker touchdown. The head linesman, a Baker man, blew his whistle as Baker snapped the ball for a forward pass. Several Pendleton players, hearing the whistle, stopped and the ball was carried over for a touchdown. At the direction of the Baker coach, Baker refused the penalty called on Pendleton and after much bickering, the touchdown was allowed.

Pendleton's first score came after seven minutes of play and her other just as the whistle blew to end the second half. In fact time was up as McDonald was racing across with the ball, but by the rules he was allowed to complete the play. The Pendleton team evidenced a clever piece of headwork in punting when they knew time to be almost up for it was their only chance to negotiate the distance to the goal. The punt was fumbled and fell into McDonald's hands just as the team had hoped.

more fumbling is one of the remarkable features of the game.

**Straughn Is Star.**  
The bright and gleaming stars for Pendleton were Orson Straughn and Jack McDonald, the one on defense and the other on offense. When Jordan was forced to retire, Straughn was pulled back to the secondary defense and was beneath every play. He seemed instinctively to analyze the Baker formations and, by his directions to the other linemen and by his personal efforts, defeated many an attempt of the heavy Baker chargers to break the line.

Hoskins proved yesterday that he is learning the defensive game as well as the offensive. A number of times

goal, Jordan kicked off for Pendleton at 2:52. The ball traveled out of bounds and was returned for a second kickoff. The ball was sent to Weeks who was downed in his tracks by Hoskins. Baker commenced an attack on the Pendleton line but met with no success. No gain was made on the first attempt, the second resulted in a loss and the third yielded nothing. Thereupon, the visitors kicked for 25 yards to Kirkpatrick, who dodged back to the 25 yard line before he was downed. However, he had stepped out of bounds at the 35 yard line and the ball was put into play there.

Jordan and Kirkpatrick made a yard each through the line. Two penalties, one for offside play and the other on account of Hoskins using his hands, cost the locals 20 yards and they were forced to punt. Jordan made a long kick and the Baker safety fumbled it. Sturdivant scooped the ball up and raced toward the goal but was dropped on the eight yard line. McDonald on a delayed pass put the ball three yards nearer the goal and then plunged through the line for two more. The Baker line held and Hoskins could negotiate only one yard on a buck. With the ball two yards from the goal, Hoskins again launched himself at the line, but again it held. However, Baker was offside on the play and was penalized half the distance to the goal which was one yard. From that point Jordan carried the ball across and converted the touchdown into a goal by booting the ball through the posts. Score, Pendleton 7, Baker 0.

Jordan kicked off to the 15-yard line and the ball was returned 10 yards. On the first down, Jordan broke through and tackled the runner for a loss. H. Miller then advanced the ball eight yards in two bucks, in one of which Jordan was injured so severely that he was forced to leave the game. Brock went in at quarter and Wesley Minns went

In at right end, Baker made yardage on the next play and, by the assistance of a five yard penalty, again made yardage. However, a fumble soon followed and Kirkpatrick fell on the ball.

A delayed pass enabled McDonald to wriggle through for three yards but Pendleton was again penalized for offside playing. Sturdivant punted out of bounds and it was Baker's ball in the center of the field. Hoskins broke through center on the first play and threw Baker back for a six yard loss. It took two bucks to recover this distance and an attempted fake punt resulted in another loss. Baker losing the ball on downs.

On the second down, Hoskins shot a forward pass squarely into Sturdivant's arms and he raced to within three yards of the goal before being thrown, the play netting 40 yards. After one buck had failed to net anything, the whistle blew, ending the quarter.

The teams changed goals and the ball was put in play again on Baker's three yard line. Pendleton carried it over on the first down but was penalized for offside playing and put back to the eight yard line. With but two downs to go they could not negotiate the distance and lost the ball on the five yard line.

Baker immediately punted out of the danger zone. McDonald received the ball and returned it five yards. On the first two plays, Pendleton was penalized 10 yards for offside playing. Hoskins shot a forward pass to Brock for a seven yard gain but with 13 yards to make in one down, Sturdivant punted. The Baker safety signaled for a fake catch and on being struck by a Pendleton tackler, the locals were again penalized 15 yards.

Hoff pierced the line for three yards but an attempted fake resulted in a loss. An end run was broken up and the miners were forced to kick. McDonald received the pigskin and carried it back to the center field.

A forward pass fell into Hoff's hands. H. Miller made a half yard and Hoff went twice that distance. A penalty on Pendleton netted them five yards and thereafter yardage was made. Three downs then netted only three yards. At this point Krebs was replaced at left guard by Tuttle. Baker was held and lost the ball on downs.

Hoskins made a yard through the line and McDonald, on a cross buck, wormed his way through for eight yards. McDonald then punted 10 yards and Baker, though getting the advantage of a five yard penalty, had such ill luck in advancing the ball that she was forced to kick back. McDonald received the ball and carried it back ten yards. Hoskins broke through the line for a five yard gain on the first down and the next two plays added three. With but a fraction of a minute to play, and the ball fully 45 yards from the goal, Pendleton's only chance lay in punting and recovering, a trick that was turned just as hoped. Sturdivant kicked 30 yards and the Baker safety, coming in fast, tried to make a pickup. The ball bounded away from him into McDonald's arms and he raced across the goal line even as the whistle was blowing to end the half. Straughn kicked goal, making the score for the first half, Pendleton 14, Baker 0.

scoring though when the whistle blew Pendleton had carried the ball to Baker's 13 yard line.

The feature of this half was a 15-yard end run by Hoskins. This with yardage made several other times and a 15-yard penalty for Baker, made the visitors fighting in their own territory most of the time.

**Last Quarter.**  
The ball was put in play on the 13 yard line and in two downs McDonald and Brock made yardage, finishing the yardage. Kirkpatrick and Hoskins carried the ball six yards nearer the goal for the five yard line. From here Straughn dropped back for a place kick but Pendleton was penalized five yards for offside playing. A second trial was blocked but Pendleton recovered the ball only to have it declared lost on downs. Baker was forced to punt but regained the ball in the center of the field by blocking a forward pass. It was a case of tit for tat, however, as Kirkpatrick intercepted a Baker forward pass. Pendleton then lost the ball on a fumble.

Baker was penalized five yards on the first down for offside playing and then tried a forward pass, only to have it blocked by Kirkpatrick. A second trial met a like fate and Baker was forced to punt. McDonald returned twelve yards, only to lose the ball when tackled. A buck netted nothing and an attempted end run was broken up by Ulrich, who had replaced Minns at end. However, on the next play a foul was called on Ulrich for using his hands and Pendleton was penalized 15 yards. This
